“We bought it. Now we build!”

Thank you for your continued support in bringing this historic building back to life for our community and generations to come!

The Post Office has signed a 20-year lease, our plans are drafted, our contractor is chosen, so we are urgently making this final push to raise \$300,000 to complete construction on this project and open our doors!

Please join us, and enclose your donation, today, with this form and a check.

Checks may be mailed to: **FOSB**
